Editorial Notes

We are pleased to present this issue of the Review of Business and Technology Review (RBTR), Volume 10, No. 1, September 2014. The views reflected in this publication are those of authors and do not necessarily reflect the views and policies of MTMI Inc. We do not guarantee the accuracy of data included in this publication and accept no responsibility for any consequence of their use. Use of the term 'country' does not imply any judgment by authors, MTMI Inc. as to legal or other status of any territorial entity.

We would like to acknowledge reviewers who have helped to review the manuscripts submitted to this volume. We also thank the editorial board of RBTR, the Department of Business, Management and Accounting at the University of Maryland Eastern Shore, as well as, MTMI Inc. for their support. Without their meaningful contributions and volunteerism, this issue of RBTR would not be possible.
